Irish tenor Mark Forrest and his wife, Muriel, founded the Faith & Family Foundation, a non-profit organization.

Mark and Muriel know well the challenges of raising children with serious illness. As the parents of 8 children, 3 with special needs and 2 of whom have passed away, Mark and Muriel realized that programs and services for families like theirs were few and far between.

Wheatland Farm is USEF Para Equestrian Center of Excellence. Wheatland Farm is also the first inclusive U.S. Pony Club Riding Center in the country. Families have access to traditional English riding instruction, adaptive and traditional aquatics lessons, and a wheelchair and adaptive equipment lending closet. All services are designed to include siblings and typically developing children in an all-inclusive, loving and family centered environment.

On August 16, 2017, Johnny Forrest lost his battle with his disease at the age of 22. However, within his silence, he continues to inspire the mission of Wheatland Farm.
